Why are you passionate about solar energy?

Why are you interested in this internship?

What skills do you possess that you envision helping this project the most?

What previous experience do you have living or traveling abroad?

Two meals/day, work-related travel expenses, and all supplies are included in this internship. But you'll also need personal money to pay for any additional food, drinks, and optional activities while you're in Puerto Rico. How will you cover these personal costs?
